2021

# The Holiday Experience

This Limited Edition set is designed for **EVERYONE!**

This set doesn't just revolve around the kids it can include families also.

It is a limitless celebration of the holidays with possibilities for every age and wardrobe.

This is such an easy experience for families and kids. With Tracy's experience and her wonderful assistant, 20 minutes is often **MORE** than enough time to capture **MANY** priceless images of families and children. Even dad's don't mind since they can keep cool in the studio, have a snack and their kiddo's go home happy with a little take home gift! This is such a special experience for families that they return time and time again each year. Spaces are limited and often fill up quickly.

There will only be a few days available for these popular sessions.  
November 5th, November 6th, and November 7th, and Nov. 13th

Sessions will last **up to** 20 minutes and are only  
\$150 or \$199 (depending on if you add **THE SANTA EXPERIENCE**)

*(please see last page for the collections that are available for purchase after your session)*

## A Holiday Tradition

---

### *The Santa Experience*

Allow your children to experience the *magic* of the holidays without the business and noises of the mall. This will be a quiet interactive time where they can chat with *Santa* for more than 2-3 minutes, maybe share a book, find their name on the nice list and receive a small gift. Each family that registers for the *Santa Experience* will receive a questionnaire about their child(ren) so that *Santa* can chat with them about things "he already knows about" including your "Elf on the Shelf's" name.

*This will truly be a magical experience for the children and mom's and dad's. Tracy will be there to capture it all for you so that you can enjoy the experience with your child.*
