The Santa Experience

Classic Christmas with *The Santa Experience*

This is such an easy experience for families and kids. With Tracy's experience and her wonderful assistant, 20 minutes is often MORE than enough time to capture MANY priceless images of families and children. Even dad's don't mind since they can keep cool in the studio. We will capture pictures with out Santa at the beginning of the session and then Santa will sneak in for a magical experience with the kiddos. All of it captured for you to cherish! This is such a special experience for families that they return time and time again each year. Spaces are limited and often fill up quickly.

The Santa Experience is November 5th ONLY!

(please see last page for the collections that are available for purchase after your session)

Classic Christmas without *The Santa Experience*

This is such an easy experience for families and kids. With Tracy's experience and her wonderful assistant, 20 minutes is often MORE than enough time to capture MANY priceless images of families and children. Even dad's don't mind since they can keep cool in the studio. We will capture pictures with your family (if you want family) and the kids alone. This classic set will be finalized a little bit closer to the date (this is the base of the set) but it will remain simple and classic to capture the magic of your family during the holidays. Kids can look forward to a snack to go and even a little take home gift! This is such a special experience for families that they return time and time again each year.

Spaces are limited and often fill up quickly.
