The Santa Experience

Classic Gingerbread WITH *The Santa Experience*

This is the *perfect* way to give your children the magic of Santa without the business and lines of the mall, giving them a truly magical moment that they will never forget. A few minutes to look through a story book, maybe play a quick game and plenty of time tell Santa what is on their list and then *receive a special gift from Santa himself!*

With Tracy's experience and her wonderful assistant, 20 minutes is often MORE than enough time to capture MANY priceless images of family and children without Santa and with Santa when he joins towards the end!

We will capture pictures *with your family (if you want family) and the kids alone and then end with*
The Santa Experience.

This is such a special experience for families that they return time and time again each year.

Spaces are limited and often fill up quickly.

Classic Gingerbread (with Santa)- Saturday, November 4th

Classic Gingerbread without *The Santa Experience*

This is such an easy experience for families and kids. With Tracy's experience and her wonderful assistant, 20 minutes is often MORE than enough time to capture MANY priceless images of families and children. Even dad's don't mind since they can keep cool in the studio. We will capture pictures with your family (if you want family) and the kids alone.

This set is designed to be simple and classic enough to capture the magic of your family during the holidays but also celebrate the season. Kids can look forward to a snack to go and even a little take home gift!

This is such a special experience for families that they return time and time again each year.

Spaces are limited and often fill up quickly.
