

Holiday Family & Santa Sessions

Around the Christmas Tree

2025

What to Expect...

Family Holiday Sessions *with Santa 2025*

A private holiday session gives your family up to 20 minutes in the TGP studio. The first portion of the session will be all about family, siblings and individual photos of the kiddos AND THEN Santa will join the kids for a magical Santa Experience! There will be time for the children to sit with Santa and tell him their wishes, find their name on the nice list and maybe even look at a book together! Each family will have their own experience based on the child(ren) level of participation. All while being captured on camera for you to remember! This is more than just pictures, this is an experience your child(ren) will never forget!
